Adventurous is my middle name. Especially when it comes to fooling around in unusual places, like loading docks with a blindfold. It's the type of 'take-me-here fantasy we all have and now I can make mine come true. As I waited for the lighting to be just right, I got too excited about having sex on the dock that I had to start without him. Needless to say, it took the crew longer to finish the set up.

I've been in Cancun for two weeks for Spring Break and I got my nipples pierced down there. They wanted me to put ice on them to make them harder and numb for the needle, and I did. That was a cool feeling — the ice, not the needle. It really hurt for a few days but I got used to it. I even iced it a few more times. I got all sorts of looks when I went to this topless beach. I could tell the guys loved it.

It's no mystery that fellatio is one of the, if not the most, pleasurable aspects of sex. Nothing demands more attention than a man's penis. So there are ways to pay it proper attention – or watch him move on to the next willing mouth.

101 FELLATIO

One of the most honoring and sexy ways a man can be pleased is when a woman adores his cock. One of the best ways to do this is to suck it for him. And I don't mean just lightly lick it, I mean take it in your hand, devour it, lick it hard, suck it hard and feel it down your throat. He'll love it, and you.

First of all, men know if you like doing this or not, just by how you go about it. If you don't like it, he will know because the enthusiasm is not there. Be passionate about giving head. Go for the gusto and it will turn him on so incredibly that he will say "I had the BEST blowjob today," and he will remember it for many hours of masturbation later.

As a woman, be in charge of the blowjob and be one who wants to seriously give her man pleasure. You are in control of him in this moment. Here are some tips for truly making love to your partner's penis:

To give the best blowjob ever you will need to put some effort into it. Putting the penis in your mouth and simply going up and down on it will accomplish nothing, this is not a blowjob. You hold the power to give the best blowjob ever so unleash it!

Let him watch as you master his cock. If you are lying on the bed between his legs, or if he is standing looking down, he is intently watching you. Use one hand to stroke his tummy, balls, up and down his legs, thighs, nipples, and

hold his cock with the other hand so you can guide it carefully away from your back teeth. Guys who pull your hand away sometimes regret it because they don't realize you are keeping his precious head from those sharp grinders in the back of your mouth. If they've pulled your hand away though, it might be an indication that you were squeezing too hard, or that he wants you to take his cock deeper into your mouth, especially if he is small (4" or less) and your hand takes up most of the length of the shaft. Going all the way down is incredibly pleasurable for the man to see his cock disappear down your throat.

Men like their blowjobs sloppy wet, there can never be too much saliva during oral sex. If this is a problem keep a glass of water nearby to help keep the juices flowing.

Suck his balls. Men don't usually get a lot of attention to their balls because most women think they'll hurt them. But if you gently stroke them and suck them by taking one into your mouth at a time, tonguing it then moving to the other one, you will see how much enjoyment is derived from this attention

Then use your tongue horizontally up the vein of the cock and feel him gasp when you again, suck the head into your mouth.

While giving oral sex saying things like "you taste so good", or "you are so big", in your sexy voice are a definite plus while getting a blowjob. I am more specifically referring to the verbal communication needed to know what exactly your man is enjoying. Use phrases like, "Do you like it when I do this", or "Which way feels better for you". Communication plays a major role in giving the best blowjob ever. By humming or making slurping noises during a blowjob you can actually send vibrations throughout the penis which can be very enjoyable for your man.

In my opinion deepthroating is the best blowjob technique ever. There is nothing like watching an entire penis come spilling out of your partner's mouth. The flicking and wagging of your tongue using good pressure is very pleasurable. Try twirling it around the head one way, than the other way. Again, this will bring gasps and moans.

Another little trick that makes my men gasp with pleasure is when I use my teeth ever so gently on the cap of the penis. Be sure there is a lot of saliva for gliding your teeth on. I start out by having my teeth clenched together at the tip of the penis. Then as I glide down the cap I slowly open my jaws. My lips are closed around the shaft as my head moves downward. Then I flick my tongue as my teeth give way

The more attention that's paid to the penis, the happier a man will be. Any man. At any time. If you make the blowjob an important part of your sexual like with your partner, you'll find he's less likely to stray; less likely to have arguments; and more likely to get that pearl necklace you've always wanted.

101 FELLATIO

and cause a suction with it. This sensation seems to bring a new experience to each recipient.

While some men enjoy a little nibbling, there is nothing worse than the pain that can be felt from scraping teeth. Some scraping is going to occur there is no way to prevent 100% of the scraping especially when your going fast and furious. You can prevent some of the scraping by using your lips to cover your teeth as well as being aware of the position of the penis.

Most men who are uncut are extremely sensitive when you expose his penis by pushing the skin all the way down and holding it down to suck him (but be careful here as some can find this painful). You have to ask the man which he prefers. Exposed or unexposed. Sometimes I try to leave the skin up and stick my tongue between the outer skin and see how far down I can slide my tongue in before the skin folds back with my motion. Pressure is important too. Squeezing with your lips

as you move up and down is very important.

And last but not least, swallowing cum. I have asked men which they prefer. A woman swallowing his cum or him jacking off in the last seconds before he cums, onto her breasts, ass or whatever. Many men grew up watching porn and in all porn, pulling out of the mouth and other orifices is the norm, so the viewer can see the glorious "cum shot." As a result, many men associate an awesome orgasm with pulling out and cumming on her breasts, face, tummy or ass as he strokes. It is a turn on to see the fruits of your labor for sure, or feel the warm love juice on your breasts. "Do you swallow?" is one of the most asked questions. This is because if you remember in the beginning, my first point was; a man's ego lives in his penis. If you swallow his ambrosia, his ego is given the ultimate compliment.

After he cums in your mouth, slowly pull away and leave the penis alone now. It is painfully sensitive and can't bare any more attention for a few minutes. A nice warm washcloth placed on his shaft and scrotum feel lovely to him while he is resting and recuperating.

You are now equipped with some knowledge of how to pleasure your partner in ways he might not be familiar. Listen to the noises he makes and be acutely aware of what makes him happy. If you want to make him cum as opposed to just warming him up for hours of pleasure, just remember these things and put them into practice — every chance you get.

You all can't see this, but there are four or five guys off to the side getting their hard ons. In between shots, we girls tease them by kissing each other and making all sorts of sexual innuendos about what's going to happen. We don't know if we could adequately describe what you're about to see, but we know you're going to get off before you turn to the last page. But you also have to check us out on video, too.

This weekend my old high school boyfriend is visiting me at college. I'm in my fourth year and it has been that many since we last saw each other, but we talk on the phone all the time. He wanted to have sex with me but he knew I was involved with another man, but he said it was okay if he just watched us fuck. At first I didn't think it a good idea, but my man said okay, so then I changed my mind. In the end, we all liked it.

FUCK MY ASS - THEN CUM ALL OVER ME 800-915-4674 MUST BE 18 TO CALL

COLLEGE IS ALL SEX AND ROSES

She worked out at the athletic club just down the street from our houses. I worked out there as well, and we often spend time together they are.

I'm in my Junior year in college and living off campus. I was in the dorm last year but want to be a bit more independent and start a real life. I've come to learn that I have to make my own meals, go grocery shopping, do my laundry and all kinds of grown up stuff. But it also means I have my own apartment and I can do whatever I want – to whomever I want.

The off campus neighborhood is full of students like myself, all going through the daily motions of school and after school. Some of my weekends I spend on campus, but more and more I'm off campus. Across the street live the Borstein bunch. The oldest daughter is named Erika and she's a senior in the Wellness College. She's a very pretty girl with a caring heart. When I moved into the neighborhood, my dog ran away and she helped me find it. Afterwards we became friends and walk to school together and talk about all sorts of college-type things. She would tell me of her boyfriends. I told stories of my girlfriends. About love and hate and infidelity.

Erika said that when she went to college she started wearing skimpy tank tops that showed off her body and especially the size and shape of her gorgeous breasts. Her shorts became shorter, and she got more adventurous with her love life. Her vow of celibacy was out the window by her sophomore year. She even admitted that she had developed a reputation as a champion cock teaser, a young lady who let everybody know just what she had but didn't let just anybody touch.

I suspected that she had a boyfriend in college. Still, she was always friendly to me, and I saw a lot of her at one

place or another in the neighborhood. She worked out at the athletic club just down the street from our houses. I worked out there as well, and we often spend time together they are. She always wore running shorts that were as thin as skin and a slim bikini top that allowed her boobs plenty of fresh air as she worked out.

One afternoon after working out at the club, Erika and I walked home together. She told me that she was feeling stiff from the workout, and asked if she could get a back rub when we got back. The opportunity merely to touch her, even if it was just a back rub, was like a dream come true! Yes, I have had those types of thoughts about her, but have been very careful not to say or show anything about my lust for her.

As it turned out, Erika's parents and siblings weren't home, so we had the house to ourselves. She led me right into her bedroom, kicking off her shoes along the way. I followed her like a dutiful puppy, through the hallway and up the stairs to her room. When we got there, she plopped herself face down on the bed. Her shorts outlined the shape of her sexy ass. It was wiggling invitingly, and filled my head with all sorts of ideas. "This is going to feel good," she said, slipping off the shorts. I had no idea they even made such skimpy pants. These were tight and revealing. "Oh well, I guess I might as well take this off as well," she said, slinking out of her top, letting those big glorious breasts loose and pressing against the bed.

She had a small bottle of massage oil that she kept in the night stand drawer and laying on her tummy reached over, opened the drawer and pulled it

out. I took it, put a little on my hands and rubbed them together to warm it up. Then, standing by the bed, I proceeded to run and knead her back with long soft, but strong strokes as she moaned beneath them. I worked the oil into her long athletic legs, being careful not to get too close to where I shouldn't be going.

Then abruptly, she rolled over as I was working her feet. Her hips came first and her breasts followed. She made no attempt to cover them, but rubbed them a little to wake them up after lying on them. As she did, I noticed her nipples harden just a little. She looked at me as if to say, 'what are you waiting for?' I warmed up some more oil on my hands and took a couple steps up the bed to begin with her shoulders. She closed her eyes and started those sexy low murmurs again and my pecker was raging inside my board shorts. I worked my way down her chest, trying not to touch her nipples. I massaged the sides and under her breasts but stayed away from the tops. She took one hand and pulled it back to her breast and said that I forgot a couple spots. I laughed nervously and apologized saying I didn't want her to think wrong of me. She just smiled as my second hand came back and caressed those perfect fleshy mounds.

Her nipples got harder and harder as I swirled the oil on them. Her moans got a little louder but I kept my actions righteous. Not wanting to linger too long, I moved down her body to her thighs and continued there all the while looking back up at her large breasts. When I got up to where her legs meet her hips, I slipped a hand under her panties and into the crease, rubbing and pushing down so she got a good massage. She suddenly lifted her hips and in one motion pulled her panties down and off her legs saying I can't do a good job with them on.

Suddenly the room filled with the tart smell of wet pussy. We had showered at the club, but the massage must have ripened her lady parts. With my mon-

She went to work at a feverish pace, taking my meat all the way in, her tongue moving against it like dog licking his last bone.

COLLEGE IS ALL SEX AND ROSES

strous hard on, I was tempted to take off my shorts too! With her legs spread and her ass lifted slightly, Erika's pussy was about to get its own massage. She had some wispy dark hairs. Mostly though, what I saw were two tantalizing pussy lips, glistening with the oil I was applying to them. My cock was twitching uncontrollably and she must have noticed. She ran a hand up my leg and found it. Without saying a word, she looked up at me and squeezed. I nearly collapsed right there. It was all I could do to keep from cumming in my shorts when Erika said, "Would you like me to do you now?"

Before I could answer, she had my shirt off and was easing me onto my back. She pulled my shorts down past my knees, then my underwear, which snapped past my cock. That didn't surprise me, since I felt as hard as a hammer. I closed my eyes, waiting to feel her turn me around so she could rub my back. But the next thing I felt, however, was her warm, wet mouth on my firmness. I opened my eyes to see her head moving up and down and her soft warm tongue lapping all

of my cock with amazing energy.

"I hope you don't mind if I skipped the massage and do this instead," she didn't wait for an answer. She just went right back to sucking me off. Erika's mouth moved smoothly up and down my cock. Her teeth never touched it. I could feel the tip of her tongue massaging my sensitive vein. She stroked me as she stopped sucking, almost sending me over the edge. Then she took my balls in her mouth and gave them a good soaking. I felt her tongue separate them and lick each one. I said, "Are you trying to make me cum?"

She went to work at a feverish pace, taking my meat all the way in her mouth again, her tongue moving against it like dog licking his last bone. Every few seconds she'd take her mouth off my cock to urge me to shoot my load. Finally I was ready to explode and told her so. Erika backed her head away but kept pumping with her hand until the spunk flew out of my pecker in a torrent of light globs that landed right on her huge boobs. Pushing one up to her mouth, her tongue playfully licked at the pearly drops and lapped them up, all the time stroking my cock until it was emptied and soft.

She then crawled up on me and sat right on my face. "Sorry, you'll have to finish me off now. That got me too excited!" she said. I thrust my tongue deep inside her wet slit as she held her pussy lips apart and fingered her clit. With her other hand she rubbed my cock bringing it back to life and when it did, she leaned over and rubbed it some more. She finally came as her body shuddered on top of mine. She straightened up, got off me and gave my cock one last lick.

Erika and I have since spent many such afternoons together. We go down on each other all the time and she has learned to swallow my cum. And thanks to her, I have become an expert at eating pussy. Now that's what I call a lesson learned.

I couldn't wait to get to college. I was going to let out my frustrations on all the guys I could. I'd make them fuck me until I, or they, couldn't take it anymore. I started out at a sorority but they were into frat guys, which I was not. I liked the artsy, rebel type. The ones with long hair, tattoos, and a rebellious attitude. Right now, I'm still screwing everyone I can because soon the man pool is going to disappear when I leave.

I have to pay my own way through college. So, as you might guess, I decided to do a little stripping at the men's club in town. Well, that was a good gig, but a better one is to make videos with guys and girls and sell them up on the internet. I've started my own blog to share my experience and these are some photos from it.
